252' Diameter x 63' High Clear Span
Featuring an elevator through the dome wall,
and suspended from the inside of the dome

Yeadon® Bulk Storage Domes

**Low cost Bulk Storage
for Grain, Fertilizer or
other materials...**

Yeadon® is North America's industry leader in low cost, high quality, state-of-the-art Air-Supported Structures for BULK STORAGE for virtually any climate condition.

Features

Yeadon® has over 30 years experience designing, manufacturing and installing Air Supported Structures for many uses – from construction to commercial, sports, warehousing and storage.

Features include –

- Low Initial Investment Cost
- Clear Spans up to 350 ft.
- Energy efficient mechanical systems
- Yeadon's proprietary anchoring channel
- Yeadon® State-of-the-art control systems
- Aeration design include for bulk storage
- Reusable – suitable for relocation
- Designed as a flat storage dome – not a tarp

Standards:

Yeadon® structures meet and exceed industry standards including Air Structures Design and Standards Manual ASI, ASCE, CSA CAN-S109, NFPA 701, UBC, BOCA, and ICBO.

Also complies with CCC (1986) requirements for permanent storage structures

Specifications

Yeadon® will assist in the design of your storage dome, including air handling and materials handling. Yeadon® uses only the highest quality materials, from the high strength PVC coated polyester outer fabric, to the mechanical plant, to environmental air handling needs. Yeadon® will design, manufacture, and install your dome in record time.
